

# Regional Workshops

for

Resorts of Ontario Members, Regional Tourism Stakeholders,  
and Tourism Operators

interested in growing their businesses.

**Be Sure to Attend!**

**FREE—No Cost to Attend!!**

Resorts of Ontario invites Resorts and other Tourism Stakeholders to participate in regional workshops specifically designed for you. These regional workshops are intended to create an environment to spur on new growth and new business for all tourism operators / business stakeholders.

The key benefit to attending these workshops will be a Toolkit designed to be a step-by-step guide on how you can enhance your product and services into compelling experiences and authentic packages.

Ongoing support and guidance will be made available to operators. This Toolkit will be an invaluable resource compiled with real life examples, solutions, resources and best practices on how to market your business and ultimately increase profitability.
